

## Sticker Template : 1.8 x 1.8 inch Circle

---

Trim : 1.8x1.8 inch

Bleed : 2x2 inch (0.1 inch on each side of trim line)

Safe Area : 1.6x1.6 inch ( internal bleed )

---

### Trim

This line is where we aim to cut (actual cutting line).

### Bleed

0.1 inch bleed is required for the printing process.

Please make sure background needs to extend into the bleed area, the bleed ensures unprinted white edges after trimming.

### Safe Area

Please make sure all important information and graphics are contained in this box otherwise you risk losing it.
