

## Sticker Template : 3 x 3 inch Circle

---

Trim : 3x3 inch

Bleed : 3.2x3.2 inch (0.1 inch on each side of trim line)

Safe Area : 2.8x2.8 inch ( internal bleed )

---

### Trim

This line is where we aim to cut (actual cutting line).

### Bleed

0.1 inch bleed is required for the printing process.

Please make sure background needs to extend into the bleed area, the bleed ensures unprinted white edges after trimming.

### Safe Area

Please make sure all important information and graphics are contained in this box otherwise you risk losing it.
