

## Sticker Template : 8.26 x 5.82 " Rectangle

---

The diagram shows a large rectangle representing a sticker template. It features three distinct boundaries: an outermost solid blue line representing the overall dimensions, an inner solid magenta line representing the trim line, and a dashed green line representing the safe area. The text below the diagram provides the specific measurements for each of these boundaries.

Trim : 8.26x5.82"  
Bleed : 8.42x5.98" (0.07" on each side of trim line)  
Safe Area : 8.11x5.66" ( internal bleed )

---

### Trim

This line is where we aim to cut (actual cutting line).

### Bleed

0.07" bleed is required for the printing process.

Please make sure background needs to extend into the bleed area, the bleed ensures unprinted white edges after trimming.

### Safe Area

Please make sure all important information and graphics are contained in this box otherwise you risk losing it.
